Reaching the Unreached and Teaching the Untaught

DPM - India Outreach Update

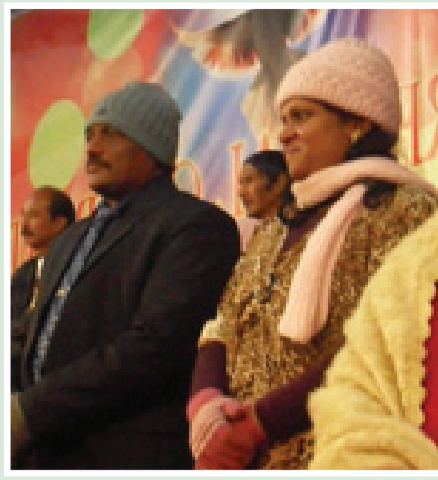

Ministry trip to Shillong

JANUARY 25, 2013

Dear Prayer Partners, Supporters and Friends,

Here is a report from our recent ministry trip to Shillong (N.E. India) from 9-13 January:

We landed in Guwahati airport at about 5:45 p.m. to find the entire arrival lobby filled in a light mist. This was quite a shock to us as we were expecting Shillong to be a little cold (the minimum temp we expected was 12°C). Driving up to Shillong on excellent roads for half the way and terrible ones for the rest, we arrived there at 11:00 p.m. to a temperature of -7°C. Exhausted as we were, we could barely sleep. As soon as it was daylight, we requested our hosts to take us to the shops and had to buy woollens to cover us from head to toe!!

1) Thursday 10th Jan – Release of first DPM Khasi book – *Divine Exchange*

On Thursday evening we had the release of the first Khasi translation of *Divine Exchange*. We spoke very briefly about what Derek had written in this book and how it would be a blessing to every person who read it. Pas. Moksha, who helped arrange for the translation received the first copy of the book.

2) Friday 11th Jan – Morning teaching session – Call to youth

On the morning of 11th Jan we began the teaching sessions that was open to leaders of all churches (we were told) but at least 50% of the 330 people that registered were below the age of 30. As I was led to share with the church on the "spirit of Elijah" for the end time church, I wanted to

build up in the two days on the ministries of the church that it included. So drawing from (Derek's message) "The Rod of God," I taught those that were gathered and the scripture that I came to at the end of my message was Ps. 110:3 and we were led in the Spirit to challenge the youth to arise and make a commitment – at least half the room was up front to pray that the spirit of God would empower them to function in the spirit and power of Elijah in these last days.

Now, the amazing thing was that God had worked in the natural before this happened – the scripture - Ps. 110:3, talks about dew – that morning for the first time in many, many years, Upper Shillong had received snowfall! We truly believe that God is raising up the young generation for a great revival in India – the sound of yet another trumpet here!!

3) Saturday 12th Jan – Morning teaching session – Leaders

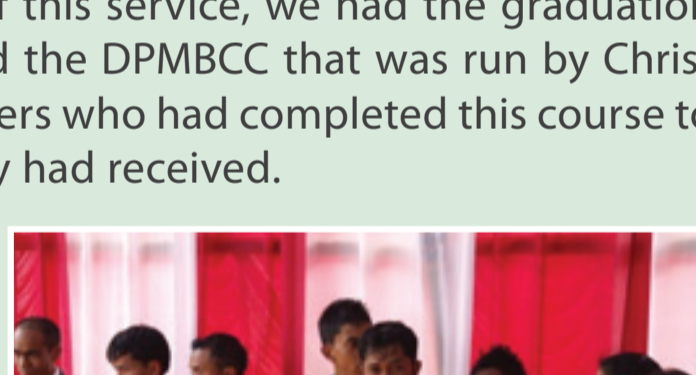

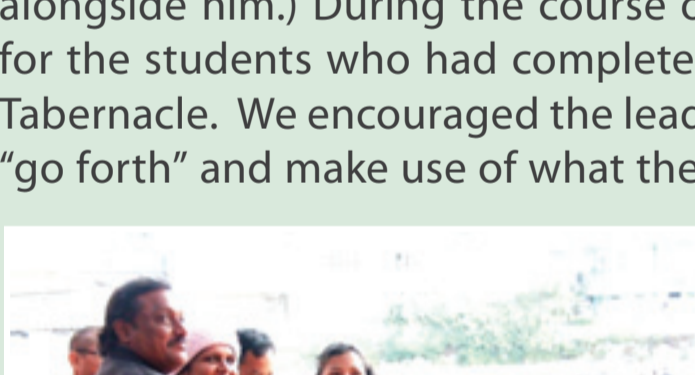

The next morning to our surprise we found many new people had registered for the seminar and being short of space, sat outside in the sun for the entire 5 hours. We also found that there were more leaders and so had to do a recap of the previous day's teaching with so many new ones. Continuing on the topics of Proclamation, Intercession and finally the spirit of Elijah, we were able to challenge the leaders that day to be "fathers" to the flock and not "administrators."

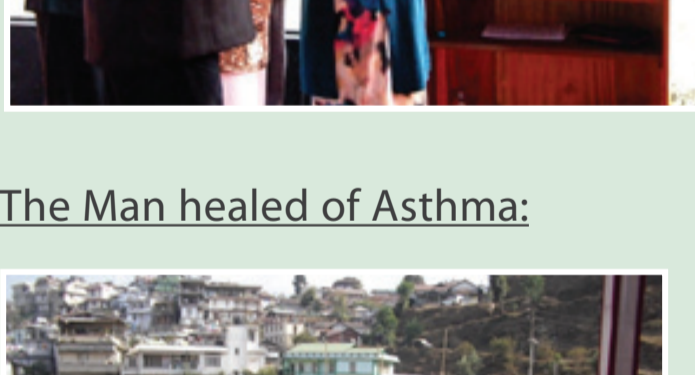

Again prayer for the leaders and we had a mighty move of the spirit of God amongst the people, just as we had the previous day.

4) Sunday 13th Jan – Certificates to Derek Prince Ministries Bible College Curriculum (DPMBCC) Graduates

On Sunday, the worship service was held in the open air stadium where we had the evening gospel meetings. (Another young evangelist from Chennai spoke at these evening meetings and we ministered to the sick alongside him.) During the course of this service, we had the graduation for the students who had completed the DPMBCC that was run by Christ Tabernacle. We encouraged the leaders who had completed this course to "go forth" and make use of what they had received.

The Man healed of Asthma:

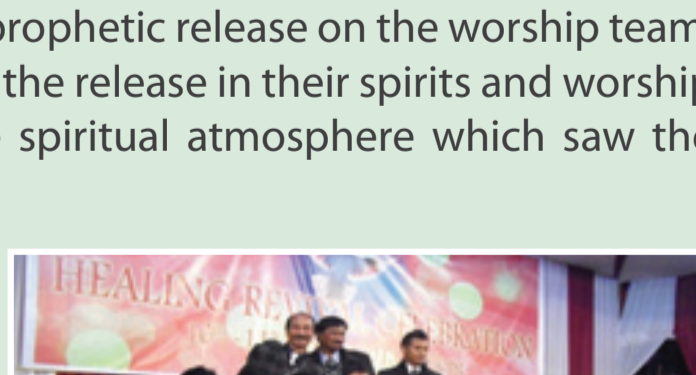

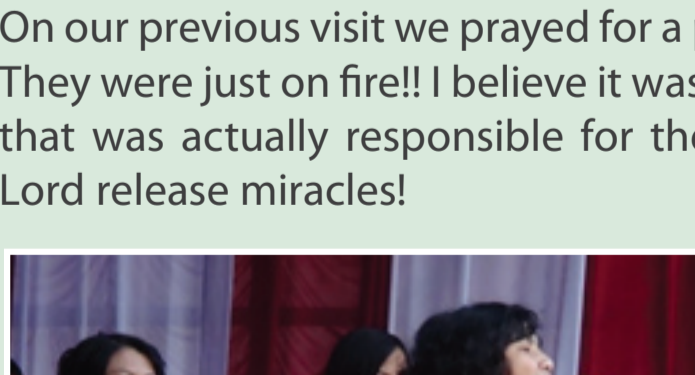

At this meeting we also met a man whom we had prayed for during our last visit to Shillong in July. He had severe asthma and had been very sick, the fear of death was in him when we prayed for him. Therefore it was a pleasant surprise to see him completely healed and on that ground praising and worshipping the Lord.

We also prayed for many sick people during the course of the meetings and had testimonies from two young girls of restored eyesight, one old woman's deaf year being opened, healing from arthritis and many, many more.

5) Release of anointing on worship team

On our previous visit we prayed for a prophetic release on the worship team. They were just on fire!! I believe it was the release in their spirits and worship that was actually responsible for the spiritual atmosphere which saw the Lord release miracles!

Elsie & Danny

It's exciting to see the Lord beginning to open these new doors for Elsie and Danny in order to reach different parts of India with Derek's teaching. We expect that this will continue to increase in the months and years ahead. If you would like to help equip ministry leaders and believers in India, you can donate online at www.derekprince.co.nz Your gift will make a huge difference to these Pastors and Christian leaders as they preach the Gospel, and teach and disciple believers throughout India.

Many thanks for your prayers and support.

Warren Smith
